Mission/Vision Statement

The Italian Community of Akron, Inc. (Ohio), Le Radici’ wants to reach the entire Italian-American community and all those who love Italy. The main objective of our association is to organize and promote activities with the purpose of introducing to the Italian community the different facets of the Italian culture. This is why ‘Le Radici’ targets the whole community with no distinction of regional origin or age group. One of our most ambitious projects involves the construction of an Italian cultural center where various cultural and recreational activities would take place. Such a center would include an Italian library, classes for teaching the Italian language, a hall for theatrical shows, a museum, an indoor bocce court, an outdoor soccer field and tennis courts.

‘Le Radici’ è un’organizzazione che si propone alla Comunità Italo Americana e di tutti coloro che amano L’Italia. L’obiettivo primario è quello di intraprendere iniziative di vario carattere che possono portare la comunità a contatto con le molte espressioni della cultura e tradizione italiana. Uno degli obiettivi più ambiziosi riguarda la costruzione in questa zona di un Centro Culturale Italiano che potrà ospitare manifestazioni culturali e ricreative.

PRESIDENT REPORT

Hopefully in this month of July we can finally meet again as a club.
We can again start the camaraderie we felt when we meet at our club house as a family during our meetings and special gatherings.
Please pray for our nation as we go forward during these times.
Please read your emails and log on to our web site for the most current information and updates. (www.leradici.org)

CAMPANIA

The southern region of Campania has a lot to recommend it, from fascinating, chaotic Naples to the spectacular islands of Capri (see picture) and Ischia, to the world-renowned ruins of Pompeii, to the famed Amalfi coast. But Campania, Italy’s second most populous region and one that has, like much of Italy’s south, struggled with poverty in the past, has lots of off-the-beaten-path destinations, too. We especially like [Paestum](#), the best ancient Greek ruins on Italy’s mainland, and [Salerno](#), a bustling, un-touristy town on the Amalfi coast. **Visit Campania if:** You’re looking for a taste of Italy’s sun-soaked south, but don’t have time for more than a day or weekend trip from Rome or Florence; you’re as in love with Naples as we are; you want to visit Italy’s most famous coastline you won’t necessarily have your own car (you can get around the most popular parts of Campania easily by public transport); you want to taste *real mozzarella di bufala* and proper *pizza napolitana*!
